

Party Packages

Celebrate 25 years of concerts in Irwin Park with a tent party this summer – what a great way to entertain friends or say thank you to your loyal customers or employees!

You and your guests can enjoy a private celebration under the stars while listening to the exciting **Starry Nights** concerts! Party packages are available now and can be designed with the help of H-F Park District staff. Since space is limited, parties are scheduled on a first-come, first-served basis. The H-F Park District provides the basics: tent, tables and chairs, which will be all set up and ready for you. You take care of the decorating and the catering. The H-F Park District offers three basic **Starry Nights** party packages; however, these packages can be tailored to meet your needs!

“TravelBrokers has been hosting a tent party at Starry Nights Concerts for several years. This is a great way to thank customers, employees and friends within a casual and exciting evening of entertainment under the stars. Irwin Park is a beautiful venue for this fantastic, affordable event.”
